QUICK GUIDE TO ROGERS ROAD BYPASS TRAIL

DESCRIPTION: This short segment connects to the Rogers Road Trail to the east and the Temescal Ridge Trail to the west. The short trail is mostly used as a connector but it does offer spectacular views of the Los Angeles Basin on to the north and east and an amazing view of the Pacific to the south. The secluded trail is also a popular for spotting local wildlife.

DIRECTIONS: Rogers Road Bypass Trail is primarily accessed from other segments of the Backbone Trail but can be accessed from Will Rogers State Historic Park via Rogers Road Trail. From the PCH, head inland on Chautauqua Blvd. After 1 mile turn right onto Sunset Blvd. Park entrance will be on left via Will Rogers State Park Rd.
